## Minutes

---

<b>Agenda item:</b>	Presentation Slideshow Work	<b>Presenter:</b>	Charles Espulgar
---------------------	-----------------------------	-------------------	------------------

### Discussion:

Discussing what the wireframe / structure of our project should come out to be, what slides everyone will want to work on, and the content that should be on each of those slides.

### Conclusions:

Finished wireframing our presentation and assigned slides to each group member, settled on completing them by next meeting.

Action items	Person responsible	Deadline
